

**Recipe for  
2010 SCFCL Conference Cookbook  
Guidelines and Format**

Print or type. List ingredients in order used. When two or more ingredients are added at the same time, list them in descending order from the larger amount to the smaller amount (ex., 1 cup flour before ½ cup sugar). Use abbreviations  *tsp., tbsp., qt., gal.* If the recipe is from a cookbook or magazine, either cite the source under your name or make three changes to make it your own recipe (change recipe name, garnishes, etc.)
