Individual Membership Certificates

Individual members certificates are given to members for the total length of years as members of SCFCL (or its previous names). Certificates are presented to members when they are in the 25-30-35-40-45-50-55-60-65-70+ year of membership. The Vice President will obtain individual membership dates joined from the current membership database which includes the date each member joined by July 1 each year. Certificate should include: name of member, county, how many years of membership, date and signature of SCFCL President. The Vice President will contact SCFCL President to arrange for individual membership certificates to be printed. The Vice President will contact the County President of each recipient to make sure they are present at the Fall District Meeting so they can receive their Certificate. The Vice President will present the certificates and mail to the recipient if no one is present to receive the certificate. A typed list of recipients is to be sent to the Newsletter Editor so the names can be placed in the next issue of News and Views.

The Certificate should read:
