New Member Certificates

New member certificates are given to counties who have new paid members in one year (January to December). Certificates will be based on previous year's final membership numbers. New members cannot previously have been a member of SCFCL (or its previous names). The Vice President will obtain membership final numbers from the end of the year Membership database. Certificates should include: name of county, how many new members in one year, date and signature of SCFCL President. The Vice President will contact SCFCL President to arrange for new member certificates to be printed. The Vice President will contact the County President to make sure someone is present at the Spring District Meeting to receive the Certificate. The Vice President will present the certificates and mail to the county if no one is present to receive the certificate. A typed list of recipients is to be sent to the Newsletter Editor so the names can be placed in the next issue of News and Views.

The Certificate should read:
