Understanding High Blood Pressure, 2020
Understanding Opioids, 2020
What to do if Active Shooter, 2019
What's in Your Wallet?, 2020

STATE PROJECT IN COMMON WITH NVON

BEE-Cause Pollinators Feed the World

The 2022-2024 Project in Common, “*BEE-CAUSE Pollinators Feed the World*” objective is to educate and inform members about the importance of pollinators and how we can be better stewards of the pollinators' role in the world's food supply chain. SCFCL can make a major impact with education and implementation of workshops, home gardens, flower beds and LOTS of other areas to help make members and others aware of the crisis with pollinators. SCFCL members may not Bee pollinators but can Bee a voice on their Beehalf.

[Pollinator Garden Project videos](#) can be viewed on the [SCFCL.com](http://www.scfcl.com) website. Click on Resources then Pollinator Garden Project.

[Products from the Hive](#) lesson by Annette Lanham was recorded and can be viewed at <https://youtu.be/93gDL3E9eyY>

Additional resources can be located at <https://www.nvon.org/bee-cause-pollinators-feed-the-world>

Copies of education lessons can be obtained from your county office,
Connie Lake clake@clemson.edu or <http://www.scfcl.com>.
