2022 SCFCL State Project in Common with NVON

The 2022 SCFCL State Project in Common with NVON, "BEE-CAUSE Pollinators Feed the World" objective is to educate and inform members about the importance of pollinators and how we can be better stewards of the pollinators' role in the world's food supply chain. SCFCL can make a major impact with education and implementation of workshops, home gardens, flower beds and LOTS of other areas to help make members and others aware of the crisis with pollinators.

SCFCL members may not Bee pollinators but can Bee a voice on their Beehalf.

SCFCL is affiliated with Associated Country Women of the World (ACWW), Country Women's Council USA (CWC), National Volunteer Outreach Network (NVON) and in partnership with Clemson University Cooperative Extension Service

Dorchester County

Dorchester County President, Miriam White (far right) accepts New Member Certificate at 2021 Annual Meeting in West Columbia. (l to r) Connie Lake accepts New Member Certificate for Saluda County and Pam Hanfland accepts New Member Certificate for Lexington County.

Hampton County FCL club has been unable to meet in person since March 2020. However, a few of our members have still worked to make a positive impact on our community. One of our members completed Christmas cards and delivered them to the residence at the Pruitt Nursing Home in Estill, S.C. on behalf of the Hampton County FCL Club. Also, our President, Ms. Evelyn Griner sent out Christmas cards to each of the members to wish them a happy holiday from her and the entire FCL club. Lisa Terry, member and FCL contact sent out information several times during the year, which included a copy of a FCL program along with other reading materials and a mask. This was just a small token to let the members know that they were in her thoughts and prayers. Hampton County FCL members are sad that they are unable to meet in person and socialize, but they realize the seriousness of the corona virus. The Hampton County FCL members remain hopeful that one day soon they will be able to return to in person meetings.

Greenwood County

Fifteen County FCL members met at Montagues's Restaurant for a Christmas Luncheon. This was our first group meeting since the beginning of Covid; it was a pleasure to visit IN PERSON! We discussed the need to support local organizations that help the needy and homeless and decided to donate \$500 to Kathryn's Closet, a School District 50 program for homeless students. We were astonished to learn that there are over 300 in just this district! We also are donating \$300 to Meg's House, our local shelter for abused women. We had \$240 income from the annual day trip to Southern Christmas Show to add to our county treasury.

The county FCL flag in this picture was made by Becky Dixon, our County President for the recent State Meeting. We are very proud to have a bright new handmade flag to represent Greenwood County!

Newberry County

We met in early August at a local park. Our FCL members brought school supplies for children in the area. A law group donated \$50.00 in memory of a man who had done this for years. The Director of the Newberry Literary Council came and organized games for members and children. A fun time was had by all ending with hot dogs for everyone. The County Council representative from that area came and also brought supplies. After supplies were given to all children present, the remainder was boxed up and given to The Literary Council as they have children attend their activities. As folks were leaving, a fire truck showed up which delighted the children.

We met again in November at the Clemson Extension office. FCL members were asked to bring non perishable items for a food pantry. Before they entered the building, those items were placed in John Glasgow's vehicle for distribution. He then came into the building and told our membership about the group that he has been working with for years. They purchase food from Harvest Hope in Columbia and with other donations, they have been giving food to those who show up at New Enoree Baptist Church. They have other times that they deliver in town. Our members decided that they wanted to donate food several times a year to him for distribution. He and his wife have been members for a year now so this worked out well.

In December the Newberry FCL members met at Central Methodist Church. All members were asked to bring a dish to share. The Mayor of Newberry and the members enjoyed a bountiful luncheon.

In January, the president hosted a meeting at her home and praised the group for the way they have responded to all county needs and helped where they could. One of the group leaders had been giving \$25.00 to each person who had lost someone in their family but had to cut that back to FCL Member and spouse.

It was decided to help with the scholarship fund as well as help Alana West, 4-H agent with 4-H activities and classes. The president supports 4-H activities and encourages members to support whenever they can.

We need your support and involvement

Invitation skit to 2022 Annual Meeting being hosted by Charleston County FCL

2021 Conference Committee hosted by Lexington County (l to r) Judee Shelley, Peggy Waters, Dale Morrow, Pat Breznay, Bette Chinnners, Pam Hanfland, Dot Tunstall (not pictured Jim Breznay)

Notes from SCFCL President, Pat Breznay

Yes, SCFCL passed the 100 year mark last year. Even after 100 years, SCFCL continues to making a difference in our communities, though with COVID-19 and its variants it has slowed us down a bit. As I read over the articles in the newsletter, it appears that members are as busy as ever.

On **March 15**, we will have ONE **Spring District Meeting (Central, Coastal, Foothills)**. Many clubs have not met in person but have met by telephone (the old fashioned teleconferencing method) over the past two years. The internet link and telephone linking number is on page 2 for the upcoming Spring District Meeting. The meeting will begin at 10:00 am and hope to be finished by 12 noon. Dale Morrow, **Bee-Cause, Pollinators Feed the World**, 2022 State Project Chair will introduce this project. Please encourage your county members to grab their telephones to join us for the Spring District Meeting.

If you are a County President, let me know if you would like to share what your county members have been doing for the last few months. We have allowed 3 minutes for each county but we need to have an e-mail to make sure we have enough time.

Linda Westbrook, SCFCL Treasurer's husband passed away so Pam Hanfland stepped up to help with the financial duties while Linda makes life changes. We wish her and her family our deepest sympathy and send our most sincere prayers. **Thanks to all the County Treasurers** for rerouting their dues to Pam as she organizes all financial records for Linda's return.

The **Buff-Swicegood Travel Study Award** has not been used in several years. If you are a member or extension agent, you can submit an application. Through your travel study you will be provided opportunities for personal, professional, or organizational development through informal self-study in chosen areas that will benefit and meet the current needs and objectives of SCFCL. The recipients will share knowledge gained with all members of SCFCL and Extension Agents as requested.

At our **April Education and Board Meeting**, the Education Committee will be selecting education lessons for 2023. Let me or your District Director know if you have an idea for a lesson that can benefit our organization. I know most of you have not used all the lessons but there are clubs that have used them and are looking forward to new and innovative ones.

I hope to attend the **NVON Conference in Evansville, IN, July 25-27**. If you are interested, the NVON Conference agenda and registration are in this newsletter and you will be delighted at all the great ideas, fun crafts, education workshops and camaraderie you will experience by attending.

October 21 is the **2022 Annual Meeting** hosted by Charleston County FCL. Remember the adorable invitation skit they performed at last year's Annual Meeting and 100th Anniversary Celebration. They have already started making favors, arranged for a delicious lunch meal, have an interesting speaker, planned for a Make and Take craft for everyone and of course time for SCFCL business, election and installation of officers President-elect, Treasurer and Foothills District Director. We **NEED** for members to step forward for these state positions. Give me a call.

Pat Breznay

Message from your State Advisor, Connie Lake

What is **Leadership**? "**Leadership** is the art of motivating a group of people to act toward achieving a common goal. In a business setting, this can mean directing workers and colleagues with a strategy to meet the company's needs." (Susan Ward) How is that like our FCL groups? Leaders in our groups direct and support fellow members.

If you have a family, whether you recognize it or not, you are a leader. It doesn't matter if you are young or old, single or involved, married or divorced, you are a leader. If you have a partner, you are co-leading, and if you are a single parent, you are the sole leader. As a FCL leader, you know where you're going and why you are going there; you are committed to taking the appropriate action to get there; and you are doing it with a spirit that inspires others to be and do their best. So be your best, as a family member and as a FCL member. Offer your talents to be a leader in your community.

We are currently in need of **Leadership** at the state level in FCL. There are talented leaders in every FCL club. Please volunteer to be a FCL leader and serve on the State Board.

For more information on how you can help, contact Pat Breznay or myself.
