

County President's Report

Each County FCL President shall write and submit a 1-2 page summary, briefly describing the objective(s) and result(s) of the county's previous year's most successful project(s). These reports should be sent to the State FCL President by February 1. These reports will be used by the State President in summarizing state programs and for sharing program ideas among counties.

Include: County and District name
President's name
Year of report
