

2025 SCFCL State Project (Fill the Need) Report

Fill the Need

“Fill the Need” is SCFCL’s 2025 State Project. “Fill the Need” deals with Food Insecurity, but what is Food Insecurity? It is the condition of not having access to sufficient food or food of an adequate quality to meet one’s basic needs. More than 800 million people live every day with hunger or food insecurity as their constant thought. Find a charity or charities you want to support, make a donation, big or small. Your club and county may already be supporting a charity or charities. You may use that donation for this charity or charities.

You can make a difference when you Fill the Need!
